ABOUT AAROHI ENTERPRISE

Established in 2006, Aarohi Enterprise is India's leading specialized foam and fabric lamination facility. With state-of-the-art infrastructure and rigorous quality control, we deliver high-performance laminated and bonded materials to clients globally.

Our advanced machinery ensures seamless adhesive and flame bonding for a diverse array of substrates including polyurethane foams, EVA, knitted fabrics, woven technical textiles, and non-woven substrates.

INDUSTRIES WE SERVE

AUTOMOTIVE & TRANSIT

Seat covers, headliners, door trims, and acoustic insulation linings designed for durability and comfort.

FOOTWEAR & LININGS

High-performance shoe upper lining, insoles, EVA laminations, and collar materials featuring moisture-wicking technology.

MEDICAL & ORTHOPEDIC

Hypoallergenic orthopedic belts, splint linings, cervical collars, and medical-grade soft-touch lamination.

APPAREL & HEADWEAR

Cap laminations, shoulder pads, bra cup padding, and custom printed textile laminates.
